## QuattroSelect: a highly-efficient dilution system for medium-to-large size building care operations.

Quattro Select from Diversey is a highly-efficient, wall-mounted system for medium to larger sites. The lockable cabinet accommodates up to four product concentrate pouches and a 100% safe dilution guarantees that employees will not come into contact with concentrated chemicals.

- Free on Loan Wall mounted chemical dispensing system
- Accurately dispenses four products into bottles, buckets or floor care machines
- Safer, more reliable, more accurate, more sustainable than any other chemical dispensing system in industry
- Lowest cost in use
- Smartvalve™/MC technology automatically chooses correct flow rate in one operation
- SafeGap™/MC and Air Gap eductors meets ASSE 1055B standard for back flow prevention\*
- For use in schools, office buildings, foodservice, hospitality, industrial, retail stores and health care facilities
- Large range suitable for all cleaning applications
